EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Douglas Erikson on November 12, 2003.

The application has been amended as follows:

In claim 11, in line 10 ~~—a computer operable for obtaining—~~has been inserted after "d)" and in line 14 "wherein" has been replaced with ~~—and controlling—~~, "is controlled" has been deleted and "the reading" has been replaced with ~~—a reading—~~.

In line 1 of each of claims 12-20 "method" has been replaced with ~~—system—~~.

The following is an examiner's statement of reasons for allowance: Independent claims 1 and 21 distinguish over the closest prior art, the applied prior art of record, for reasons of record in the Amendment filed October 9, 2003. Independent claim 11 now distinguishes over the applied prior art of record for recitation in claim 11 of: "...a computer operable for obtaining data representing various values of the pump speed...with the first valve fully shut, the interconnection valve fully open, and the second valve fully shut...controlling...from a reading...first valve fully open, the interconnection valve fully shut, and the second valve fully open and from the data".

The added language to claim 11 is supported by the Instant Specification at page 5, line 17 - page 6, line 2 and page 6, line 32 - page 7, line 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joseph W. Drodge whose telephone number is 703-308-0403 (571-272-1140 after December 8, 2003. The examiner can normally be reached on 8:30-5:00 Monday-Friday.
